# WHO WE ARE

As it gets darker in the world in the days and years ahead, the light of the Church must burn brighter. **Kingdom Times** is an instrument inspired by God to keep the light burning and push back the darkness that is enveloping the earth (**Isaiah 60:2**) as a trusted and authoritative prophetic voice, and source of Christian news and information.

**Kingdom Times** is powered by a visionary and intellectual work force cast in the mould of the biblical Sons of Issachar, that would understand what the Church ought to do, and point her in that direction.

ANCIENT WORD

How The Bible Got To Us

Mid-20th-century history has affirmed the world for good in the Holy Bible. The influence of the Bible on our values and belief systems, language, the arts, the scientific method, and justice systems cannot be overestimated. We owe to the Bible our seven-day week, the Gregorian calendar, calendar, and the clock. The Bible has shaped the moral and ethical foundations of Western civilization. The Bible is the most influential book in the history of the world. It has shaped the course of human history. It has shaped the lives of billions of people. It has shaped the world we live in today.

From the ancient world to the modern world, the Bible has been a constant presence. It has been a source of inspiration, guidance, and comfort. It has been a source of strength and courage. It has been a source of hope and faith. It has been a source of love and mercy. It has been a source of life and light. It has been a source of peace and harmony. It has been a source of joy and happiness. It has been a source of wisdom and knowledge. It has been a source of power and glory. It has been a source of life and light. It has been a source of peace and harmony. It has been a source of joy and happiness. It has been a source of wisdom and knowledge. It has been a source of power and glory.

The Bible is the word of God. It is the word of life. It is the word of hope. It is the word of love. It is the word of mercy. It is the word of grace. It is the word of peace. It is the word of joy. It is the word of wisdom. It is the word of knowledge. It is the word of power. It is the word of glory. It is the word of life. It is the word of light. It is the word of peace. It is the word of joy. It is the word of wisdom. It is the word of knowledge. It is the word of power. It is the word of glory.

# **STATEMENTS OF FAITH**

We believe that the Holy Bible is the Word of GOD, immutable and inerrant, delivered to mankind and the Church through men inspired by the Holy Spirit, as a manual for human life, to guide mankind out of the depths of sin and rebellion to the glorious heights of Kingdom life, expressed in righteousness and perfect oneness with God. **2 Tim. 3: 16-17.**

We believe that God created man in His image without sin but by Adam's voluntary action, chose to disobey God in the Garden of Eden, resulting in his fall and the reign of the sin nature in every human that descended from him. **Gen. 1:27; Rom. 3:23.**

We believe that the Old Testament is a foreshadow of the New Testament; the latter being a continuation of God's revelation of His Person to mankind, and humanity's central place in His eternal grand design.

## ***STATEMENTS OF FAITH***

We believe in what is considered the best summary of Christian belief, the Apostles Creed, that expresses the Christian's faith in "God Almighty and in Christ Jesus,

His only Son, our Lord; Born of the Holy Spirit and the Virgin Mary; Crucified under Pontius Pilate and buried; And on the third day rose from the dead; Ascended into heaven; And sits on the right hand of the Father; From where He will come to judge the living and the dead;

And in the Holy Ghost manifesting in all His gifts and fruit; The holy Church (as the pillar and ground of truth); The remission of sins through the shed blood of Jesus Christ; The resurrection of the dead; and life everlasting.

## ***STATEMENTS OF FAITH***

We believe that the way out of sin has been provided by God through the death and resurrection of His Son, Jesus Christ, and by the simple acknowledgement of one's sinfulness and repentance, and believing in one's heart that Christ died for them (**Rom. 5:12**). We believe that salvation is not dependent on any man's work but completely dependent on the grace of God.

We believe in the baptism of the Holy Spirit, with evidence in speaking in tongues, as a second work of grace after Salvation, to empower the believer to live the desired righteous life. We believe that before Jesus Christ physically returns to Earth, He will first manifest His power and glory in the world through the Church on a scale never seen or heard of in history.
